

## **COLD WAR VETERANS' EXEMPTION**

The exemption provides a property tax exemption, of 10 percent of assessed value to veterans who served during the Cold War period. The law also provides an additional exemption to disabled veterans, equal to one-half of their service-connected disability ratings. The basic exemption is limited to 10 years, but there is no time for the disabled portion of this exemption. In both instances, the exemption is limited to the primary residence of the veteran, and is applicable only to general municipal taxes, not to school taxes or special district levies.

The exemption is available to veterans who served on active duty (exclusive of training) in the United States Armed Forces between September 2, 1945 and December 26, 1991, and who are not currently receiving either the eligible funds or alternative veterans' exemption.

Applications are available on the state website at <http://www.orps.state.ny.us/ref/forms/pdf/rp458b.pdf> or on the Department of Assessment website at [www.mynassauproperty.com](http://www.mynassauproperty.com).

The veteran must file an application RP-458-B with the Department of Assessment by "taxable status date." In Williston Park, this date is January 2.

The veteran must show a discharge or release from the U.S. Armed Forces under honorable conditions and that the service was during the Cold War period. If the veteran seeks the additional exemption available under the law, proof must be provided to show a service-connected disability.

Form DD-214, which you should have received upon separation from the service, or other documentation such as a copy of discharge orders, VA documentation for disability rating, etc. You should also have a copy of the deed to the house or other proof that you and/or your spouse are the owners of the property.

If you are a veteran, or next-of-kin of a deceased veteran, you may contact the federal records center to order a copy of your military records, for all others, your request may be made using standard form 180.

Check with the Federal Records Center at (314) 801-0800 or the Veterans' Service Agency as to how you should proceed. You can write to the Federal Records Center, 9700 Page Blvd., St. Louis, MO 63132.

The legal title to the property must be in the name of the veteran or the spouse of the veteran or both, or the unremarried surviving spouse of the veteran. If the property is owned by more than one qualified owner, the exemption to which each is entitled may be combined. Also, if a veteran is also the unremarried surviving spouse of a veteran, that person may also receive any exemption to which the deceased spouse was entitled.

The property must be used exclusively for residential purposes, and must also be the primary residence of a Cold War veteran or the unremarried spouse of a Cold War veteran unless that person is absent from the property due to medical reasons or institutionalization. If a portion of the property is used for non-residential purposes, the exemption will apply only to that portion of the property that is used exclusively for residential purposes.

**NYS BOARD OF REAL PROPERTY SERVICES**

**INSTRUCTIONS FOR APPLICATION FOR COLD WAR VETERANS EXEMPTION FROM REAL PROPERTY TAXATION**

Section 458-b of the Real Property Tax Law authorizes a limited exemption from real property taxes for real property owned by persons who rendered military service to the United States during the Cold War (defined as September 2, 1945 to December 26, 1991), provided such property meets the requirements set forth in the law. The task of administering this law lies primarily with local assessors who are required to pass upon each application for exemption.

These instructions are intended to assist applicants in the completion of form RP-458-b and to discuss issues concerning the Cold War veterans exemption. Technical discussion has been avoided so that the material will have the widest possible usefulness. Assessors may address their questions to the Counsel of the State Board of Real Property Services, Sheridan Hollow Plaza, 16 Sheridan Ave., Albany, NY 12210-2714. Veterans should address their inquiries to their local office of the New York State Division of Veterans' Affairs or their County Veterans' Service Agency.

Section 458-b of the Real Property Tax Law of the State of New York authorizes an exemption from real property taxation for qualified residential real property owned by Cold War veterans or certain members of their family based on a percentage of assessed value. The exemption is applicable to general municipal taxes, but not school taxes, special ad valorem levies or special assessments.

Each county, city, town and village has the option of deciding whether to grant the Cold War veterans exemption. You should check with your assessor to determine whether the exemption is available for your property.

A qualified residential parcel may receive an exemption equal to 10%, or at local option, 15% of its assessed value. This exemption is limited to 10 years duration. Where a veteran has received a service-connected disability rating from the Veterans' Administration or the Department of Defense, there is an additional exemption which is equal to one-half of the disability rating, multiplied by the assessed value of the property. Each of these is subject to maximum limits set by the municipality. The municipal choices of maximum exemptions available are:

	<b>Reduced 10%</b>	<b>Reduced 15%</b>	<b>Reduced 10%</b>	<b>Reduced 15%</b>	<b>Basic 10%</b>	<b>Basic 15%</b>
Service	4000	6000	6000	9000	8000	12000
Disability	20000	20000	30000	30000	40000	40000

You should check with your assessor to determine the maximum exemption limits in the municipalities in which you reside.

Once the municipality has chosen the maximum exemption amounts, the maximum amounts must then be multiplied by the latest final state equalization rate, or, in special assessing units (i.e., New York City and Nassau County), class ratio (if the equalization rate or class ratio is 100 or less), for the assessing unit in order to arrive at the applicable maximums for each assessment roll. These rates and ratios normally change from year to year; this will affect the maximum exemption amounts.

**QUESTIONS 1-2** These questions are self-explanatory. Where the property is owned by more than one person, include names, telephone numbers, and post office addresses of all owners. Attach additional sheets if more space is necessary to answer this or any other question on this form. Note, that if a person holds a life estate in the property, that person is the legal owner of the property. If the property is held in trust, the trustees are the legal owners of the property.

**QUESTION 3** The location of the property should conform to its description on the latest assessment roll. Contact your local assessor for assistance in furnishing this description.

**QUESTION 4** A qualifying owner for the exemption includes a veteran of the Cold War, the spouse of such veteran or the unremarried surviving spouse. A veteran who is also the unremarried surviving spouse of a veteran may also receive any exemption to which the deceased spouse was entitled.

**QUESTIONS 5-6** The veteran must have served on active duty in the U.S. Armed Forces between September 2, 1945 and December 26, 1991 and been honorably discharged or released from service. As proof of the dates and character of service, a copy of Form DD 214 or other appropriate evidence should be attached to your application.

**QUESTION 7** If the additional Cold War exemption is to be granted based on service-connected disability rating, evidence of exemption eligibility must be provided by the property owner. Where an exemption has been granted pursuant to sec. 458-b based on the veteran's service-connected disability, the percentage of such disability must be re-certified prior to taxable status date if the disability increases or decreases (see form RP-458-b-Dis). If the veteran is deceased, such rating is the last rating received prior to the veteran's death. Where the veteran died in service of a service-connected disability, the veteran is deemed to have been assigned a compensation rating of 100 percent. For assistance in obtaining disability rating information, you should contact your local office of the New York State Division of Veterans' Affairs or your County Veterans' Service Agency.

**QUESTION 8** To obtain the Cold War veterans exemption, the property must be the primary residency of the veteran or his or her unremarried surviving spouse unless such person is absent from the property due to medical reasons or institutionalization.

**QUESTION 9** To obtain the Cold War veterans exemption, the property must be used exclusively for residential purposes. However, if a portion of the property is used for other than residential purposes, the exemption applies only to that portion which is used exclusively for residential purposes.

**QUESTION 10** For a Cold War veterans exemption, eligibility depends, in part, on who has the title to qualifying residential real property. Attach a copy of the deed to your application.

**QUESTION 11** The defined Cold War period includes periods of war and other military engagements. If a Cold War veteran receives an eligible funds veterans exemption (per Real Property Tax Law, sec. 458) or an alternative veterans exemption (per Real Property Tax Law, sec. 458-a), the Cold War veteran may not also receive the Cold War veterans exemption. (For more information concerning the eligible funds exemption or alternative exemption, contact your assessor.)

**QUESTION 12** Because the term of the basic exemption is limited to 10 years, you must state if you previously received such exemption, and, if so, where and when.

## **FILING THE APPLICATION**

**Application (RP-458-b) for exemption must be made to the local assessors.** Where property is located in a village which assesses, separate applications must be filed with both the village and town assessors. The application must be filed on or before taxable status date. Taxable status date for most towns is March 1. In Nassau County, the taxable status date for towns is January 2. Westchester County towns have either a May 1 or June 1 taxable status date; contact the assessor. Taxable status date for most villages which assess is January 1; however, the village clerk should be consulted to insure certainty. Charter provisions control in cities so inquiry should be made of city assessors for the taxable status dates in cities. In New York City, taxable status date is January 5, but applications for this exemption may be filed on or before March 15. **Do not file the application with the State Board of Real Property Services.**
