VAPING AWARENESS

**The Nassau County Third Precinct will be presenting a compelling informational program on all things related to “vaping” and “jeweling”.
Know before your children do!**

*Please join us at 7pm on Tuesday June 4th at the
East Williston Village Hall
2 Prospect Street, East Williston*

The presentation is geared toward making parents aware of what is out there, and signs to be on the lookout for. If you have children as young as 6th, 7th, and 8th grades and above, this is a very important program for you to attend.
