Water Main Flushing

Please be advised that the required annual water main flushing is scheduled for Monday October 3rd, 2016 through Friday October 7th, 2016 between the hours of 9AM and 2PM.

During the flushing period, you may detect some water pressure fluctuation and water discoloration. Please plan on washing your dishes and clothes after the daily flushing.

You may wish to keep a supply of clear water in the refrigerator for drinking and cooking during these times of discoloration.

We are sorry for any inconvenience this may cause.

Thank you,
Inc. Village of Williston Park
